sible to count the stories, realistic and famely been woven about this theme. The truth of the matter is that you have only to imagine any two people you know shipwrecked on an uninhabited island to get an extraordinary situation. This kind of story is, however, in its infancy. For just as the ghost first has emerged from the old haunted chamber, clanking chains period and devaloped into, for instance, Henry James's "The Turn of the Screw" and Edith Wharton's "The Lady's Maif's Bell," so the shipwreck story is on the way to paychological growth. James Barrie in "The Admirable Crichton," H. de Vere Started to dissociate. I wrote the first half of the book five times, the last the moment remember have already synthesis and the irreduction of the moment remember have already synthesis and the irreduction of the moment remember have already synthesis and ferment in one endation one endation of the sex.

MOTLEY RETURNS

OF

things are still in store for the wicked even tragic, themes without being metropolis of the Far West. Some of brutal. Some of the moderns with their

ination. All of the English poet's very considerable command of the apparatus of tragedy is exercised in the second secon at the moment remember have already given this stock fiction situation a strong psychological impulse.

I believe that the popularity of "Gulliver's Travels' rests on two facts: first that the situations in it, unlike those in "Robinson Crusoe," are entirely imaginative and could happen to nobody; that, in other words, it deals with conditions of the strong to the strong that the fight must be made for their not, a highly fareiful kind—people so tiny of the strong time before I saw how I could get them in and in what the fight must not be made by the women for themselves alone; for women have never yet fought for themselves alone. I saw that the fight must be made for their children. As a galvanizer of public opinion it may Then would the Tear have won the war for possibly be effective, but as poetry it is not, for all its fire and fury, an addition to the treasures of the language.

Servia by God's aid—
God's curse be on Vuk Brankovich, the dastard that betrayed smoke good cigars. In an epilogue, "The Seven and seventy thousand men lay dead Dawn of Peace," the poet's young, hot upon the sod, soul scolds the wicked old world as All gallant Serbs, and their pure blood was young, hot souls have always done:

Are strong, then name them "common sense"!

with warmth of sincere sentiment in the flowing meters of "The Flight and Other Poems" by George Edward Woodberry (Macmillans); and the half paradox is paralleled in a happy blending of the in-The retired Frenchman has a phrase of his own—he has gone to grow his cabbages—a peaceful occupation. Accused of Getting \$50,000 in Cash or Jewels in Tour of Big Cities.

Frank von Gordon, a dashing young

man who is said by the Pinkertons to have swindled banks and jewelry shops in big American cities of at least \$50,000 by means of his nerve, a ready pen and a long string of aliases, was arrested yesterday at Broadway and Forty-Embankment," are an object lesson in seventh street by Assistant Superintendent John Graham of the Pinkerton agency and Police Detectives Siscillo and McGann. He was locked up on the charge of swindling the Guardian Trust and Savings Bank of Cleveland of \$392.72. Savings Bank of Cleveland of \$392.72.
Von Gordon, as "Baron" Frederick von
Coron Seefeld, got \$2,000 from Countess
Ilka Kinsky-Palmay, an opera singer
from Budapest, in this city in 1995. The
singer said that the "Baron" came to
her with tears in his eyes after an acquaintance of five days and declared that a heartless automobile dealer was going to take his beautiful car away. She gave him a check for the balance due and later took him into court. The "baron," however made restitution and then disapeared.

Von Gordon is now under indictment in Chicago for using the mails to defraud. He is said to have swindled banks in Toledo, Wilmington, Del.; Seattle, San Francisco, Chicago, New Haven, New Orleans, Butte, Youngstown, Pittsburg, Des Moines, Philadelphia, Boston, Worserter, Rephysical and this climater cester, Rochester and this city.

By INEZ HAYNES GILLMORE.

WHOTE "Angel Island" because I white the minor politicel and social eddies that was an observer too, but he was also a that women are making to-day. I choose the fable or symbolic form for "Angel Island" because I believe that it is the most successfully used the symbolic form of modern writers, Haustmann, Rostand and Maeterlinks. I suppose If we should find that, after the Bibs and shakespeare, "Robinson Crusoe" and "Guiling that those rebellions and disgusts and loathings are in it. And yet if the symbolic form, of modern writers, Haustmann, Rostand and Maeterlinks. I suppose If we should find that, after the Bibs and shakespeare, "Robinson Crusoe" and "Guiling that those rebellions and disgusts and loathings are in it. And yet if the should find that, after the Bibs and shakespeare, "Robinson Crusoe" and "Guiling that those rebellions and disgusts and loathings are in it. And yet if the should find that, after the Bibs and shakespeare, "Robinson Crusoe" and "Guiling that those rebellions and disgusts and loathings are in it. And yet if the prince of a story so exciting that a child can read loathings are in it. And yet if the beginning to end without realize that those rebellions and disgusts and loathings are in it. And yet if the should find that, after the Bibs and shakespeare, "Robinson Crusoe" and "Guiliver's Travels" were the two most popular books in the English happeage.

When I came to write "Angel Island"

When I came to write "Angel Island"

As though difficult enough, some underen peets appear to be endeavoring to remake it, and not to make it any dealer notes appear to be endeavoring to remake it, and not to make it any dealer. Parassus harbors a motley had the Castalian waters hold strange new elements. In "General Willing the Called the Castalian waters hold strange new elements. In "General Willing the Called the Castalian waters hold strange new elements. In "General Willing the Called the Castalian waters hold strange new elements. In "General Willing the Called th

is a flame of revolt back of the narrative liver 8 travels" were the two most popular books in the English language.

I believe that the popularity of "Robinsen Crusoe" rests on two facts: first, that the central situation is absolutely real and could happen to anybody, an adventure that in our childhood we all hoped to experience some day, i. e., shipwreck uninhabited island: second, that it is written with the minimum of central situation and the state of the countries of the one shipwreck-uninhabited-island story which would compel people to As it is, it would be almost imposo count the stories, realistic and ment make unrest and ferment in one en-

that they are less than dwarfs, people I will add—in the spirit of humorous of a highly fanciful kind—people so tiny that they are less than dwarfs, people so huse that they are less than dwarfs, people so huse that they are more than glants, being the winged horses. &c.; second, like "Robinsinged horses. &c.; second, like "Robinson Crusoe," it also is written with the minimum of "literary" effect and the maximum of apparently real detail.

The degree in which "Guiliver's Trayels" is a greater book than "Robinsing and the late Mr. Swift.
